NEWSLETTER EDITOR
Tiffany Wingert

Every new ER starts out with list of goals, or, call it a “grand vision” of what he wants to accomplish in the coming year. My vision mirrors that of John Oetken’s when he took the reins a year ago.

I plan to follow the excellent example John set, continue with the progress we made under his leadership, and set new goals that will help and sustain and improve our Lodge.

We have accomplished very much in the last year. Financially we are on the right track and, thanks to our engaged membership, there are many new and exciting events to look forward to. There is also a renewed public interest in our banquet and facility offerings which will bring positive exposure to the Lodge. I hope to lead us to continued financial success as well as fulfill our Benevolent mission to serve our community.

I want to thank all the members who put in a multitude of volunteer hours this year of multiple changes. Your support is valued and key to the success of our Lodge.

Eric Brown, Exalted Ruler

Who said this?

Be the first to cite the quote to the bartender and receive a free drink chip.

“The fact is prosperity has a purpose. It’s to allow us to pursue ‘the better angels,’ to give us time to think and grow.”

Gratitude Grants are the ENF's way of saying thank you to every Lodge that meets the National President's per-member goal for giving to the ENF. The goal this past lodge year was \$4.60 per member, and I am pleased to report Ames Lodge met that goal! We received a \$2,000 Gratitude Grant which was donated to the Story County Freedom Flight to help send our veterans to Washington, D.C.

A new lodge year is just beginning, and we will once again be working toward that per-member goal. This year, the Gratitude Grant has been increased to \$2500. We are always looking for ways to use this grant to meet local needs in our community. If you have suggestions, please let me or any of our officers know.

Again, thank you for your continued support. Because of your generous donations, we are able to make a difference!

Karla Kelly, ENF Chair
